

COURSE INFORMATION

Invite Your Ophthalmic Technicians

Please invite your ophthalmic technicians to attend a special program. While you attend the Physician's Update, your technicians can complete a course offered at the same time. Drs. Gardner, Hood, Nallasamy and Trobe will present timely topics related to retina, cornea, pediatrics and neuro-ophthalmology.

A course brochure with complete details has been sent to allied health personnel. To request additional copies, please contact us as noted below.

The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Michigan Medical School designates this live activity for a maximum of 3.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Welcome

The faculty of the University of Michigan Department of Ophthalmology and Visual Sciences welcomes ophthalmologists and other medical professionals to a Saturday morning conference in Kalamazoo providing updates and advances in ophthalmology.

Objectives

This conference will update the attending clinicians on the latest diagnostic and therapeutic knowledge in the subspecialty areas of neuro-ophthalmology, cornea, pediatrics, and retina. Upon completion of this activity, participants will understand and be able to implement the:

1. Diagnosis and management of third cranial nerve palsy.
2. Indications, advantages, limitations, and surgical techniques of selective endothelial transplantation.
3. New concepts of how diabetes impacts the entire retina and the implications for diagnosis and treatment.
4. Important aspects of history and clinical examination in patients with restrictive strabismus and how these features influence surgical management in these often challenging patients.
